

HLA Lake Committee Meeting Minutes

October 10, 2024

Called 6:30 PM

Members present are in bold

Charlene Baulski, Sheri Berger, Jay Cassella, Mary-Beth Russo, Amber Tremblay, Ron Tremblay

1. Summary of Lake Symposium (focus on Hydrilla)

- Sherri summarized the Lake Symposium with slides about hydrilla
- Most outbreaks of hydrilla have started at boatlaunches

2. Discussion of lake drawdown

- Lake drawdown will begin the week of 10/28 as the BOG voted
- Jay will notify DEEP
- Ron and Amber will work with Jay to open the valve, other members will join so as to be aware of the process
- MB will monitor the depth

3. Removal of swimming buoys

- Buoys have been removed
- Charlene will clean the buoys and work with Jay to store them in the shed

4. Five-year plan for Lake Health

- Members will review previous draft of the plan and continue to develop a plan over the next few meetings

5. Miscellaneous

- Japanese knotweed treatment will have to take place next year
- Summary of plantings along the water near the mailboxes at East Shore Dr.

Next meeting Thursday, 11/14 at 6:30pm.
